

VOX STUDIOS ENTREPRENEURIAL PROGRAM

Empowering the Next Generation of Creators & Entrepreneurs

APPLICATION PACKAGE

Program Overview:

The Vox Studios Entrepreneurial Program is a 4-week, hands-on learning experience designed to introduce young adults to entrepreneurship, business management, and media production. Participants learn through real-world action — marketing, networking, and podcast creation — while gaining valuable skills in communication, leadership, and teamwork.

This program is perfect for individuals who are motivated to learn, grow, and take initiative. Our approach is practical: students don't just study entrepreneurship — they *practice* it.
